As the weather starts to cool down and we get closer to the “light at the end of the tunnel” of our various tax and accounting deadlines, our Chapter starts ramping back up. Over the past few weeks we had several great events, some of which include:

• Forensic and Valuation Services (FVS) – on September 19 Kevin Edwards of Flexible Business Systems and Jack Harrington of Campolo Middleton McCormick educated attendees on cybersecurity from a data privacy and protection standpoint.

• Members in Industry – a very informative educational session on cybersecurity risks from an insurance perspective at Empire National Bank with Neil Levy of Assured Partners and several speakers from Travelers Insurance on September 27.

• NextGen – 22nd annual golf outing at Willow Creek in Mt. Sinai on October 3, with 67 golfers, even after having to reschedule the event twice due to Tropical Storm Jose. Great job to the Committee for making the rescheduling so seamless.

• Not-for-Profit – an overview of new and proposed changes for not-for-profits and governments by Edward Lee of KPMG at Cerini and Associates’ office in Bohemia on October 6th.

I also wanted to mention a few of our upcoming events:

• On October 18 Nassau and Suffolk are partnering up to have our annual “Banker/CPA Networking Event” which is NOT limited to bankers and CPAs – ANYONE is welcome and the more the merrier! Leigh Schuckman and Pete Fasulo of Sandler Training will be presenting The Psychology of Business Development and How to Differentiate Yourself in a Networking Environment. To register, please contact Carol Pinto at cpinto@ck-co.com.

President’s Message (cont’d)

- The East End and NextGen Committees are partnering up for their first joint charity 5K run/walk to benefit The Riverhead Foundation for Marine Research and Preservation. I've been getting a lot of calls from “turtle lovers” and am looking forward to helping this great cause.

- The NextGen Committee has begun planning its annual Toys for Tots Drive – please check out our flyer for details. Any and all help is welcome!

- November 7 – our Cooperation with Educational Institutions Committee is holding its annual Student Night at St. Joseph’s College – we are looking for both students and professionals to attend.

- November 16 – Bruce Newman of Protegrity Advisors and Ernest Patrick Smith of Nawrocki Smith will present Negotiating a Deal from both an M&A (mergers and acquisitions) and tax perspective to the FVS Committee.

- Our Chapter is very excited to have Renee Rampulla of Rampulla Advisory Services, LLC provide our annual 2 CPE NYS Ethics Update – I hope you will join us on December 19th at Stonebridge Country Club in Hauppauge. Renee makes what can be a very “dry” topic interesting with real examples.

At the recent statewide NYSSCPA Governance Forum, Joel Schleifer was nominated as PAC (Political Action Committee) Trustee for our Long Island Region, which is a five year position through May 31, 2022. Joel is very well-versed in political matters and is available to assist you with any questions, concerns or interests. You can contact him at jschleifer@cfmllp.com.

Joel Schleifer was also nominated to serve on the NYSSCPA’s statewide Nominating Committee, where he and the rest of the Committee will select the incoming Officers for the statewide Board for the fiscal year beginning June 1, 2018 – congratulations Joel!

We are currently putting together this year’s Nominating Committee at the Suffolk Chapter level. The Committee will be looking for nominations for potential Suffolk Chapter Board Members for the fiscal year beginning June 1, 2018. If you have any questions in the meantime, please feel free to contact me at asexton@mfbcpa.com.

In light of the recent and very tragic Las Vegas shooting and on behalf of the NYSSCPA – Suffolk Chapter, I hope that you, your family and friends are safe and healthy. Our hearts and prayers go out to the many victims, families and friends who are suffering.

- Amanda Sexton

22nd Annual Young Professionals Golf Outing

On Tuesday, October 3, the NextGen Committee hosted its 22nd Annual Young Professionals Golf Outing. The outing was originally scheduled for Tuesday, September 19th but due to Tropical Storm Jose coming close to the area, the outing was rescheduled. Weather could not be better for the outing on the new rescheduled date.

Once again held at the Willow Creek Golf and Country Club in Mount Sinai, the 67 golfers in attendance enjoyed a great day on the course. The outing offered several hole-in-one prizes, the main attraction being $10,000 cash prize. Other hole-in-one prizes included travel packages and golf prizes.

The outing would not be complete without our infamous “beat-the-hack” competition, as golfers took their chances to beat our “hack” - John Manley, Controller at Roux Associates, Inc.

The scramble format of the outing allowed for a team effort to compete for lowest score of the day. Awards were given out for lowest team score, longest drive, and closest to the pin. When the golfing was done, all were welcomed in for a buffet and great raffle prizes such as TVs, speakers, sound systems, a grill, an iPad, golf equipment, headphones, dinner with professional athletes and much more. More importantly, the outing was once again able to raise more than $1,600 for our Toys for Tots drive later this year.

The committee extends our thanks to Jeff Leibowitz from Atlantic Agency for providing the insurance sponsorship for our hole-in-one prizes.

Our appreciation and gratitude thanks our event sponsors:

Fun and Games – Kenken

A logic game that is a step up from Soduko...

Use numbers 1, 2, 3, 4, 5, 6. No numbers can appear more than once in any row or column. Figure out which numbers go in each “cage.” Each cage has a target number when combined using the specified mathematical operation (either addition, subtraction, multiplication or division).

```
15 x 10 + 15 - 5 - 3 - 1 - 2 -
15 - 2 - 3 + 2 - 11 + 3 +
24 x 30 x 3 - 3 + 2 -
2 - 12 x 6 6
2 ÷ 11 +
```
