“People have often asked me about where I received my etiquette training! I just say COAP was the first time I experienced a college campus, dormitory living, an etiquette class, resume writing, the stock exchange, a major corporation, and a large accounting firm. COAP was not just a program for me—it was an outlet. It enabled me to envision more than just sports or entertainment as a way out of inner-city living.”
—Shawn C. Valentine, CPA (COAP Alumnus)
COAP is a program of the Moynihan Scholarship Fund, a 501(c)(3) nonprofit organization and an affiliated entity of the NYSSCPA.

The COAP program was founded in 1987 by the New York State Society of CPAs to create a more racially diverse CPA profession in New York State. More than 4,000 high school students have graduated from COAP.
