b. Appointment of Nominating Committee Chair
Mr. Lauchert announced that there are nine elected members; the winners were posted on the Society website. He noted that nominations period closes on January 7th and the nominating committee will meet on January 14th. The open spots included the President-elect, five director(s) at large, Treasurer/Secretary and Chapter Representative Directors from the Mid Hudson, Rockland, Queens/Brooklyn and Utica Chapters.

Mr. Falbo announced Mr. Kirkland as the Chair of the Nominating Committee.

c. Financial Statements ending September 30, 2015
Mr. Lauchert discussed the need for a NYSSCPA investment committee that is separate from existing FAE investment committee. He apprised the Executive Committee of the proposed Investment Committee action plan. Mr. Falbo inquired if funds were being set aside for a future move. Mr. Payano replied that $240,000 was transferred from the operating account into the investment account per a motion of the Executive Committee on November 14, 2014. Given the already full agenda for this meeting, Mr. Lauchert indicated further discussion of this matter would be deferred to a future Executive Committee Meeting. Discussion followed and Mr. Surace moved to accept the financial Statements and Mr. Zovistoski seconded the motion. The motion passed without objection.

d. Membership Report
Ms. Barry asked the Board to approve 296 new members, bringing the total to 27,796 members. She noted that the process has changed for applying members. Historically, individuals would fill out an application and immediately receive member benefits without having been invoiced. Now, immediate payment is required upon completing a member application. This new process is designed to reduce the large number of terminations each year. Ms. Barry announced that this year there are to date 268 resignations, nine terminations due to ethics issues, and 104 deaths. Mr. Surace moved to accept the membership report and Mr. Todres seconded the motion. The motion passed without objection.
e. NYSSCPA Resolution in support of AICPA Joint Venture
Mr. Falbo announced that the Society has been asked to participate in discussion regarding the proposed next step in the AICPA joint venture with CIMA, which would create a new accounting association that would integrate management, strategy and operations, while continuing to operate the AICPA and CIMA. He introduced past president Mr. Kirkland, who currently serves on the AICPA Board to provide details and perspective. Mr. Kirkland provided details on the joint venture and noted that change is upon the profession and that the Society should consider being a leader in moving the profession forward. The AICPA asked that state societies support a resolution moving the JV to the next step. Discussion followed. Mr. Lauchert motioned to present this topic to the Board of Directors for debate. Ms. George seconded the motion. The motion passed without objection.

f. COAP Program Renewal
Ms. Barry gave a brief history of the COAP program. Mr. Surace noted that he was involved with the program and had a very positive experience. It was suggested that no changes be made to the existing program in terms of the student base, namely underrepresented minority groups. Discussion followed regarding some of the challenges of the program in its current form and suggestions were made to discover ways to involve all students, potentially with additional programs. Ms. George moved to reaffirm the original purpose of the COAP program and continue with 100 percent underrepresented minority students. Mr. Todres seconded the motion. The motion passed without objection.

g. Dues Restructuring Task Force
Mr. Adair recapped the objective of the Dues Restructuring Task Force. He noted that the task force had narrowed down the categories but he would want the Board and staff to review the new dues categories before the 2016/2017 budget process begins. Mr. Adair focused on three issues. The first issue: allowing a category of non-voting, non CPA members. The second issue focused on the retiree dues category and the third issue was the lifetime membership dues category. Mr. Adair mentioned that one objective of the task force was to simplify the billing process as it was difficult to attract new members with a complex billing matrix.
Discussion followed. Ms. George motioned to move the discussion to the Board and Mr. Zovistoski seconded the motion. The motion passed with no objections.

h. Approval of New Sustainability Committee
Mr. Markezin remarked that there was a growing member interest in sustainability reporting and consequently an effort was undertaken to explore development of a statewide committee on sustainability. He noted that it is typically desired to have about 12 people to start a new committee but that in this case, response was near 90. Ms. George motioned to approve the new committee, and Mr. Todres seconded the motion. The motion passed without objection.

i. Signature Authority for 2015-2016 FY
Mr. Payano briefly described the process of approving signatories and explained the internal controls setup to monitor the entire payment process. He noted that he would like to add Ms. Osorio as a signatory on the Society account and remove her on the FAE account. Mr. Payano also noted that he would remove Mr. Pryba as signatory since he has left the organization. Mr. Surace motioned to add Ms. Osorio as a signatory and Ms. Herringer seconded the motion. The motion passed without objection.
