All individuals must pay upon submission of an application. She noted the 137 non-CPA members, which compared to 83 in that category last year.

She shared that two members had passed away: Julie L. Floch, a valued driving force in the nonprofit sector, and Arthur S. Hoffman, who had been an active member with the Tax Division Oversight Committee.

Ms. Barry announced that reinstatements had decreased and resignations had increased. She noted the dues-free Lifetime membership category has more than 3,000 CPAs. She explained that in 2019, the Lifetime membership category will require a $75-per-year payment.

Mr. Zovistoski explained that the Diversity and Inclusion Committee existed previously, but was disbanded. Ms. Barry briefly shared the history of the committee, indicating that the committee started in the 1990s, and noted that the issues of diversity and inclusion still remain within the profession. She stated that the recommendation to reinstate the committee came from member, Rumbi N. Bwerinofa-Petrozzello, who wanted to embark on a series of events involving inclusion and diversity, especially as they relate to women in the CPA profession.

Mr. Zovistoski commented that inclusion is key for the profession.
Mr. Deiters made a motion to approve the Diversity and Inclusion Committee, and Ms. Giovinazzo-Barnickel seconded the motion. The motion passed without any objections.

**EC16 — H— 3**

**Core Values and Goals**

a. **Chapters Updates**

Mr. Altman and Ms. Barossi provided a brief update on the chapters and said there is increased participation on the Chapter conference calls. A discussion followed.
b. Committees Update

Mr. Shillingsford shared the committees update with the Executive Committee, explaining highlights for the period August 28 through October 14, 2016. He announced there is an average of about six meetings per week and that about 47% of applicants to committees were new committee members, which is very close to the goal of 50%. He shared that he was brainstorming with the Committee Oversight Chairs with regard to implementing joint committee events and a mentoring initiative. Before ending his report update, he thanked Mr. Markezin for his assistance.

c. FAE Update

Mr. Payano clarified the reasoning of the new FAE fee structure and the Chapter CPE courses.

d. Future of Peer Review Administration Update

Mr. Markezin provided an update to the Committee members. A discussion followed.

e. Governance Subcommittee Update

Mr. Ruppel provided the Committee with the Governance Subcommittee’s recommendations, as follows:

**The Moynihan Fund:**

1. Establishment of The Moynihan Scholarship Fund, Inc., (“Moynihan Fund”), as a 501(c)(3), a separate organization that will govern, administer and support the noneducational functions of FAE, including the Career Opportunities in the Accounting Profession (COAP) program, scholarships both academic and financial, and the Benevolent Fund. This would allow FAE to focus solely on the educational activities.

2. The goal would be to establish The Moynihan Scholarship Fund prior to the Annual Gala.

3. The Subcommittee recommended that a similar process currently used by FAE be followed by The Moynihan Fund regarding its board of directors'/trustees’ qualifications and staggered three-year terms. Further, it recommended that the Moynihan Scholarship Fund be managed by a seven-member board of directors/trustees, with two board members/trustees
to be appointed from the Society’s Board of Directors. The five remaining board members/trustees would be using a similar process for the filling the FAE board of trustees vacancies.

The Subcommittee recommended that Society Board of Directors look to how FAE initially incorporated to select the initial Moynihan Fund’s incorporators and its board members/trustees.

**Nominating Committee:**

1. There are 11 Nominating Committee members: 2 are appointed by the Board of Directors and 9 from the Society membership.

With regard to the Nominating Committee and possible vacancies, the Governance Subcommittee recommends that in the event a Nominating Committee member(s) who is/are elected from the Society membership is/are unable to serve for any reason, alternates already be selected. These alternates would be those Society members who received the two next highest vote total from the voting membership. Should any of the two Board-appointed Nominating Committee member(s) be unable to serve, then the two Society Board Members receiving the next highest total of Board votes would be the alternates for the Nominating Committee Board-appointed seats.

2. The Governance Subcommittee recommends that participation in the Nominating Committee requires its members to meet in-person only. In addition, it recommends that the Nominating Committee can meet earlier than the second Thursday in January, so long as all of its members are in agreement, and that the Nominating Committee can also carry over its initial meeting to a second day, so long as the Nominating Committee members unanimously agree to this and so long as it is prior to the third Thursday in January.

Mr. Ruppel stated that the Governance Subcommittee reviewed the non-CPA membership requirement as it relates to retirees who are non-CPA members who then retire. Under the current bylaws, these members would have their Society
memberships terminated. The Governance Subcommittee recommends that if an individual qualifies as an associate industry member as of the date of his/her retirement, he/she should be allowed to continue membership into retirement. In addition, the Governance Subcommittee noted that the non-CPA employee may not permit partners in certain professions to become a member because the language in the bylaws only addresses non-CPA employees. By way of example, partners in law firms are not considered employees. As a result, the Governance Subcommittee recommends the following revisions to the Associate Industry/Non-CPA category:

“... (5) Associate Industry/Non-CPA Employee.

A person not employed in a CPA firm nor a company described in subparagraph (4) of this paragraph but who has a Bachelor’s degree and works full-time in any of the following categories shall be eligible to apply for membership as a non-CPA Employee.

(a) As an educator teaching accounting or accounting related courses at an educational institution, college or university; or

(b) As a non-CPA professional working in the government, industry, non-profit organization, financial, legal or banking services.

Such membership shall terminate at the end of the Society’s next fiscal year immediately following such time as the above employment relationship, except for reasons of retirement terminates.

Size of the Society’s Board of Directors

Mr. Ruppel stated that the Subcommittee’s last recommendation, regarding the size and composition of the Board of Directors, is to keep the current size of the Board of Directors at 39.

Bylaws Revisions

Mr. Ruppel stated that the Subcommittee discussed a committee’s request to have the Society’s bylaws revised and that more information would be forthcoming for the Subcommittee’s consideration.
