Comments on
Proposed Statement on Auditing Standards, *Interim Financial Reporting*
(Redrafted)

The New York State Society of Certified Public Accountants welcomes the opportunity to comment on the AICPA Auditing Standards Board's (ASB) proposed Statement on Auditing Standards, *Interim Financial Information* (Redrafted).

We support the ASB's efforts to improve the clarity and reduce the complexity of auditing standards as well as its ongoing goal to converge the proposed standards with International Standards on Auditing (ISAs).

We have responded below to the questions posed in the *Guide for Respondents*.

Responses to Specific Questions

1. Are the objectives of the auditor appropriate?

Yes, the objectives of the auditor are appropriate.

2. Are the differences between the proposed SAS and SAS 116 identified in the exhibit to the exposure draft, and other language changes, appropriate? The ASB is particularly interested in feedback on the change limiting the circumstances in which an oral report is permitted.

Yes, the differences between the proposed SAS and SAS 116 identified in the exhibit to the exposure draft, and other language changes are appropriate.

We believe the change limiting the circumstances in which an oral report is permitted alleviates the confusion with other standards (such as Statements on Standards for Accounting and Review Services) and provides more consistency between the standards.
